

"HAVE I GOT 'SOCIETY' NEWS FOR YOU"

EDITION NO; 14

APRIL 2017

Welcome to this edition of the Society newsletter which aims to keep you informed on what is happening in the Society. *And a special welcome to new additions to the mailing list.*

As ever, we ask our faithful readers to pass this short newsletter on to others .. be they members of the Society or not .. just so as people can be aware of the services that the Society can provide.

Given our own limited staff numbers in HQ, we depend greatly on others to help spread the word

AGM .. Buswells .. 9th May

The Society's AGM is taking place at **Buswells Hotel** on **Tuesday 9th May**.

It is a lunchtime AGM and we will have you in and out of there in just over 30 minutes .. *tops!!*

It gives members an opportunity to meet the staff, the Committee and to put faces on names.

Most importantly, however, it gives you the chance to find out how your subscription is being used and to ask any questions on how the Society is being run.

Oh, and even more importantly, we provide you with tea and biccies!!!

Office Talks

One means of getting the word "*out there*" about the Society is by means of Staff Talks.

We are willing to give talks to staff in offices at any time, be it a "*lunch and learn*", part of an overall information event or just as a standalone presentation.

The talk is 15-20 minutes

Please feel free to make contact at the numbers below and we will be delighted to discuss with you.

LETTERS FROM MEMBERS

We always like to show you that the assistance we provide to our members makes a positive difference to their lives.

We don't pretend to solve everyone's financial problems but we can certainly help to lighten the load

"I am someone you helped greatly over the years. I am enclosing a picture of my son who graduated from college last year and is now training to be an accountant. I will always be mindful of all the help I received from the Society in getting him to this point"

"I wish to thank you for helping with the costs of my mother-in-law's funeral. This was greatly appreciated at a time when we were finding it difficult to make ends meet for the full funeral costs."

"I am not in a position to be able to find the words to properly describe your help but I just want to say a big thank you and your gang for all the help"

"The service provided by the Society is amazing. I joined in 2002, encouraged to do so by my manager .. to give a little back. I never thought I would ever need your help. Many thanks for your help in my hour of need"
