

## Welcome

The PSFS is a non-profit organisation based within the civil service. It provides financial assistance and advice to its members in times of need. It is a completely independent and confidential service. We can help our members by offering cash grants (non-repayable or repayable) for a variety of reasons.

Life can be unpredictable, and we simply do not know what is around the corner. We in the PSFS, hope we offer peace of mind to our members. Should anything unexpected or unmanageable crop up, you can approach us for assistance.

Over the last 18 months there have been many changes to the Society. The main change is that 2 longstanding members of staff, Declan O'Brien and Carmel Doyle retired. We wish them all the very best in their retirement and thank them for their many years of service to our members.

Our new PSFS Team is made up of 4 staff.

Karen Martin was appointed as the new Executive Director in April 2022. Karen has been a fantastic addition to the PSFS.

Barbara Dillon, Cases & Development Officer has been working with the Society since 2016.

We welcomed Linda Sherry (Cases Officer) and Frances McIver (Office Administrator) to the team in 2023.
